Lowell Damon Woods Proudly Presents A Way To Honor Your Family And Loved Ones

Hello neighbors, we will be constructing a brick walk-way on the south side of our Historical Lowell Damon Woods House. This walk-way will remember those neighbors who have passed before us and honor neighbors who are still with us. We are doing this for two very important reasons:

1. We want to raise money to provide more valuable services and charitable giving for our neighborhood
2. We also want to put some much needed money into the upkeep of our precious historical home.

The bricks on this walk-way will be available for a one-time **investment of only $50**. If you would like to invest in one of these bricks to either honor or remember a family member who lives or who has lived in the Lowell Damon Woods Neighborhood, all you would need to do is fill out your information below.

There are a very limited number of bricks available so please act quickly to insure that your family or loved one will be amongst the very first to be placed and in our walk-way. Please remember, the money received from your investment of this new beautiful walk-way will go towards functions within the neighborhood, work at the Lowell Damon House and select charities that the neighborhood supports.

Here are some examples for your special brick:

(Please keep in mind that the more letters or text that you have, the smaller the letters will be and the fewer letters or text that you have the bigger the letters will be)
