	22	1		
SECTION II: NON-MEMBERS				
1. Were you a member in the past?	1	0		
2. Have you ever participated in LDWNA member activities without joining the neighborhood?	1	0		
3. What would it take to get you to be a member now?				
SECTION II: MEMBERS AND NON-MEMBERS				
1. Do the annual membership fees seem reasonable to you?	22	0	1	1. I urge you to "invite" extra \$\$ on the renewal form. You'll be surprised by the response.
2. How would you feel about going to designated blocks for Halloween trick-or-treating, like the Pasadena neighborhood (with a nominal participation fee and donated bags of candy)?	3	10	6	
COMMENTS:				
1. Love this idea! We have friends on Pasadena, and this is a big hit! Keeps the neighborhood much more cohesive - much less walking for the kids, and much more social for the adults.				
2. I don't understand the need for a fee. This was done years ago & discouraged some from participating... children like to trick-or-treat where their friends live.				
3. No small children.				
4. With decorations, etc.				
5. I do really like the way we do Halloween now, but we'd be open to a change.				
6. We like going on our own block.				
7. I would like to see us try it because then parents don't have to cover much ground with little ones.				
8. I prefer the variety - not every block would be willing/able. It's better as a "random circuit."				
9. Whatever works for parents is fine. We do like having the kids come by even though are all grown.				
10. Fewer homes & kids participating would spoil this wonderful night. Please don't spoil this wonderful night! Please urge neighboring associations to consider the same night. Confusion last year with Hillcrest Assn. celebration earlier.				
11. Why complicate it. What we're doing now works well. Pasadena NA covers a much larger geographic area.				
12. We wouldn't, but I'm sure it is fun for younger ones.				
13. It's nice to go around our neighborhood - where we want to go. A fee? Donate candy? Too sterile!				
3. Neighborhood Activities: Please place an "X" in the appropriate columns next to each activity to answer each of the following questions.
